Ashtabula County
APL

Veterinarian (Staff)

Required Qualifications: DVM 1+ years of experience
Hours/status: Part-time; flexible hours; competitive salary/hourly compensation negotiable

Full Job Description

Ashtabula County APL is a non-profit, open admission, animal shelter and adoption center located in Ashtabula, OH. We are currently seeking a confident spay/neuter surgeon and shelter veterinarian to join our fun, fast-paced, but laid-back team for flexible, part-time hours. Our shelter structure is very flexible and we will entertain a schedule of your choosing. We are supportive of integrated, holistic care and are working toward our Fear-Free shelter certification.

Scheduling

We can schedule our operations around our DVM availability, so you have the freedom and flexibility to work when it is convenient for **you**, within shelter. We believe in a healthy work-life balance.

Responsibilities

- Examine animals and check status
- Review medical charts
- Vaccinate animals to prevent diseases
- Spay and neuter cats and dogs as needed
- Surgical intervention for minor injuries and ailments
- Referral to veterinary specialists in the area and relationship building with veterinary network and local shelters
- Prescribe medication
- Advise staff and potential pet owners on nutrition, preventive healthcare and general care
- Update animal records

Skills

- Problem-solving skills

- Excellent communication skills with the ability to explain medical terms and conditions using simple language
- Patience and a love for animals
- Valid DVM license

Schedule:

- Flexible hours

Experience:

- DVM: 1 year (Preferred)

This Job Is Ideal for Someone Who Is:

- Dependable -- more reliable than spontaneous
- Detail-oriented -- would rather focus on the details of work than the bigger picture

To apply please send your resume/CV and letter of interest including desired compensation/schedule to mglauser@acapl.org.
